Erasmus+: A strong international dimension

- Collaboration with Partner Countries: mobility, cooperation and policy dialogue activities.
- In order to support European organisations in facing the global challenges brought about by globalisation, climate change and the digital transition, a key element is the intensification of international mobility and cooperation with third countries, strengthening the role of the European Union as a global actor.
- In parallel, the Programme actions contribute to promoting values, principles and interests around common priorities, notably related to human and institutional development climate change, digital transition, growth and jobs, good governance and peace and security.
- The engagement of the young people in Partner Countries is a key element in the process of building societies that are more resilient and are based on mutual trust and intercultural understanding.

EU ACTION PLAN on Integration and Inclusion (2021-2027)

EU Youth Strategy

The EU developed an EU Youth Strategy and wants young people to engage and become an active citizen involved in democracy and society. We want young people to tell us what is important to them by taking part in the EU Youth Dialogue.

Digital ERASMUS+

Erasmus+ will support the development of digital skills, in line with the Digital Education Action Plan. It will provide high-quality digital training and exchanges, and it will encourage traineeships in the digital sector. New formats, such as blended intensive programmes, will allow short-term physical mobility abroad to be complemented with online learning and teamwork. The implementation will be further digitalised and simplified with the European Student Card.

Striving for a Union of Equality

The Gender Equality Strategy 2020-2025

Strategic Priorities – Ukraine

Recovery, resilience and reform: post-2020 Eastern Partnership Priorities

5 OBJECTIVES

- TOGETHER** for resilient, sustainable and integrated economies
- TOGETHER** for environmental and climate resilience
- TOGETHER** for accountable institutions, the rule of law and security
- TOGETHER** for a resilient digital transformation
- TOGETHER** for resilient, gender equal, fair and inclusive societies

2 PILLARS

INVESTMENT
To support post-COVID 19 socio-economic recovery and build back better through accelerating the green and digital transition in the partner countries. This includes an **Economic and Investment Plan** with country-specific flagship initiatives.

GOVERNANCE
Investing in **reforms and respect for shared fundamental values** are at the core of our partnership. This includes support for democracy, human rights, rule of law reforms, support for the fight against corruption, gender, support to civil society and independent media.
