

## "Study Like a Pro in Germany!"

Navigating the Learning Landscape:  
Understanding Academic Culture in Germany!

Embark on a journey to seamlessly integrate into the academic culture of Germany with our engaging and interactive workshop series!

Are you an international student eager to better understand the educational environment of your host country?

Join us for a comprehensive workshop series designed specifically for international students. Over four weeks, we'll dive into various facets of the German academic culture in a welcoming and collaborative setting. Each session will feature tailored thematic inputs, guided by your own interests and needs.

### **Veranstaltungsinhalte:**

Workshop Objectives:

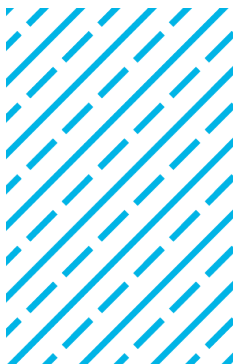

- Discover the nuances of engaging with professors and building effective study groups.
- Explore the wide array of support services and resources available to you at FH Münster.
- Share your experiences and challenges in dealing with aspects like loneliness and language barriers.
- Gain insights into the structure of study programs and the broader German education system.
- Form meaningful connections with fellow students to enhance your academic journey.

Why Attend?

- Receive personalized guidance to smoothly navigate your academic and social life in Germany.
- Build a supportive network to enrich your learning experience.
- Gain confidence in your ability to thrive in a new academic and cultural environment.

Join us on this collaborative exploration to make your educational experience in Germany both impactful and enjoyable! Your needs and questions will also be taken into consideration in the agenda.

Please note: This is a four part series of workshops. Each session has its own topic, so it is absolutely useful to attend all of the sessions, however, it is not mandatory to attend all of them. Please sign up for all the sessions that you would like to attend separately.
