

Travel Directions: Photonics Laboratory

Department of
Engineering Physics

Steinfurt is located about 33 km north-west of Münster and consists of the two districts Burgsteinfurt and Borghorst. Our university campus is situated in Burgsteinfurt.

Photonics Lab
Prof. Dr. U. Wittrock 

By car

Please enter "Flögemannsesch, 48565 Steinfurt" in your navigation system. Follow the blue signs to the parking lots P3 and P4. The parking lot P3 is situated next to the entrance into the building D where our office is.

By plane (FMO - Airport Münster-Osnabrück)

There is a regular bus shuttle to the main station in Münster and vice versa. The up-to-date schedule can be downloaded as JPG file ("Richtung Münster") via <https://www.fmo.de/service/an-abreise/>

For the direct way from FMO Airport to our campus in Steinfurt you may create your personnel timetable on the sites of the *Regionalverkehr Münsterland*:

<http://www.rvm-online.de/auskunft/>

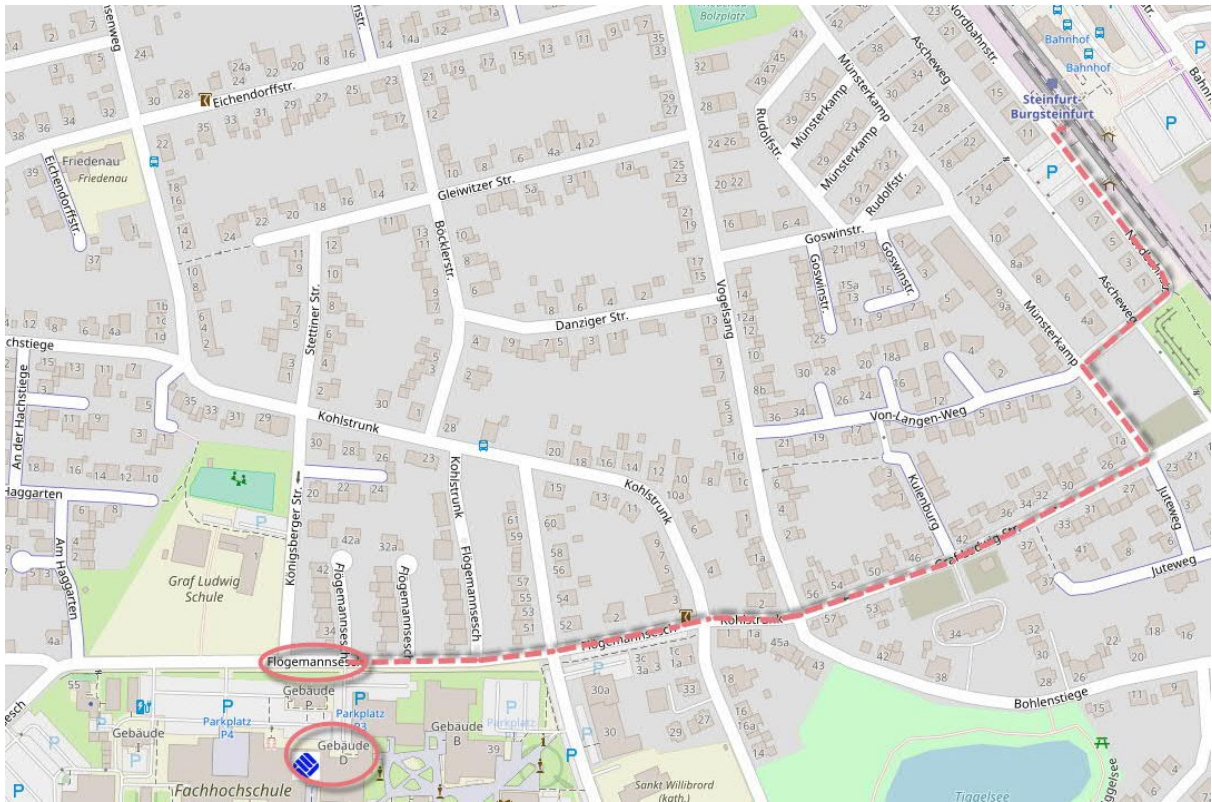

[Departure: FMO (Greven) | Arrival: Steinfurt, Stegerwaldstraße]

By train

Take the train from Münster or Enschede (Netherlands) to the station ("Bahnhof") Steinfurt-Burgsteinfurt (do not get off at Steinfurt-Borghorst which is another part of the city of Steinfurt).

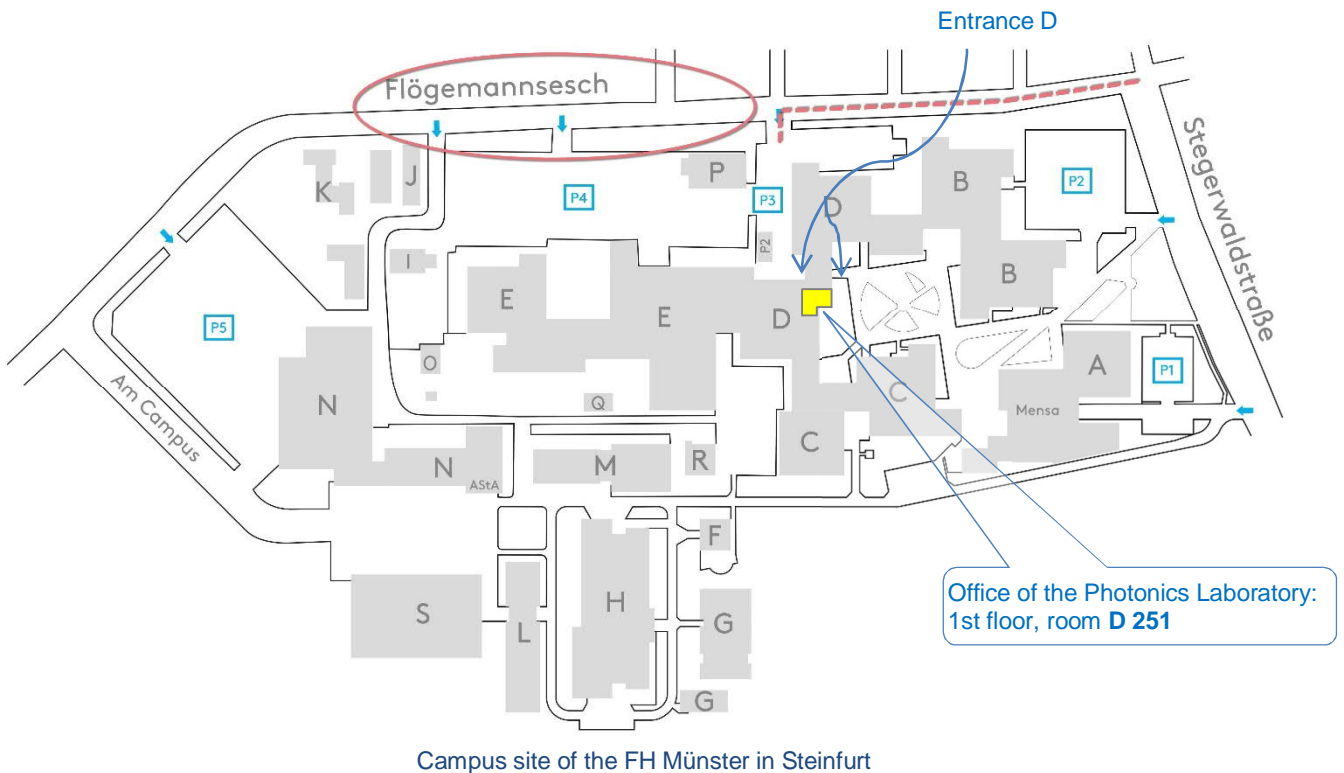

From Burgsteinfurt train station you can walk to the Photonics Laboratory in about 11 minutes. The route is marked in the map on the next page.

Way from train station ST-Burgsteinfurt to Photonics Laboratory (by foot)

Foot path from the station in Burgsteinfurt to the campus site: entering "Flögemannsesch 35" in Google will lead you directly to the parking lot P3.

You may enter the building "D" via the parking lot "P3" from *Flögemannsesch* or via the central courtyard. Both entrances are marked in the campus plan. Take the stairs one flight up from the ground floor, pass through the glass door located opposite of the stairs and you are going straight towards to our office (room D 251).
